Champagne Joseph Perrier

We are extremely happy with this fantastic range of wines from an outstanding family run domaine. Established in 1825, the house has continued to produce fine wines with quality rather than quantity the main stipulation. Highly praised by the wine writer Tom Stevenson for their mellow fruity style. We have also included Bollinger in our list as we have been long term fans of its rich, ample style.

Our red and white wines appear under the headings “Classic” and “Eclectic” “Classic” covers what many regard as the household names, Chablis, Rioja, Barolo and so on. Within this category we have endeavoured to offer you the best possible example of its kind, from family owned vineyards with a proud tradition.

Under the “Eclectic” heading you will find some of the most exciting wines available, but perhaps from not so well known regions, or unusual grape varieties where the innovative winemaker may not always follow the rule book, but then sometimes, that’s not an all together bad thing, is it?

We hope you enjoy perusing our wine selection and if we can help you make your choice please don’t hesitate to ask
